To the graduating seniors, North High School will always bring back many memories, from struggling through the halls as sophomores, to the leaders of the entire student body as seniors.

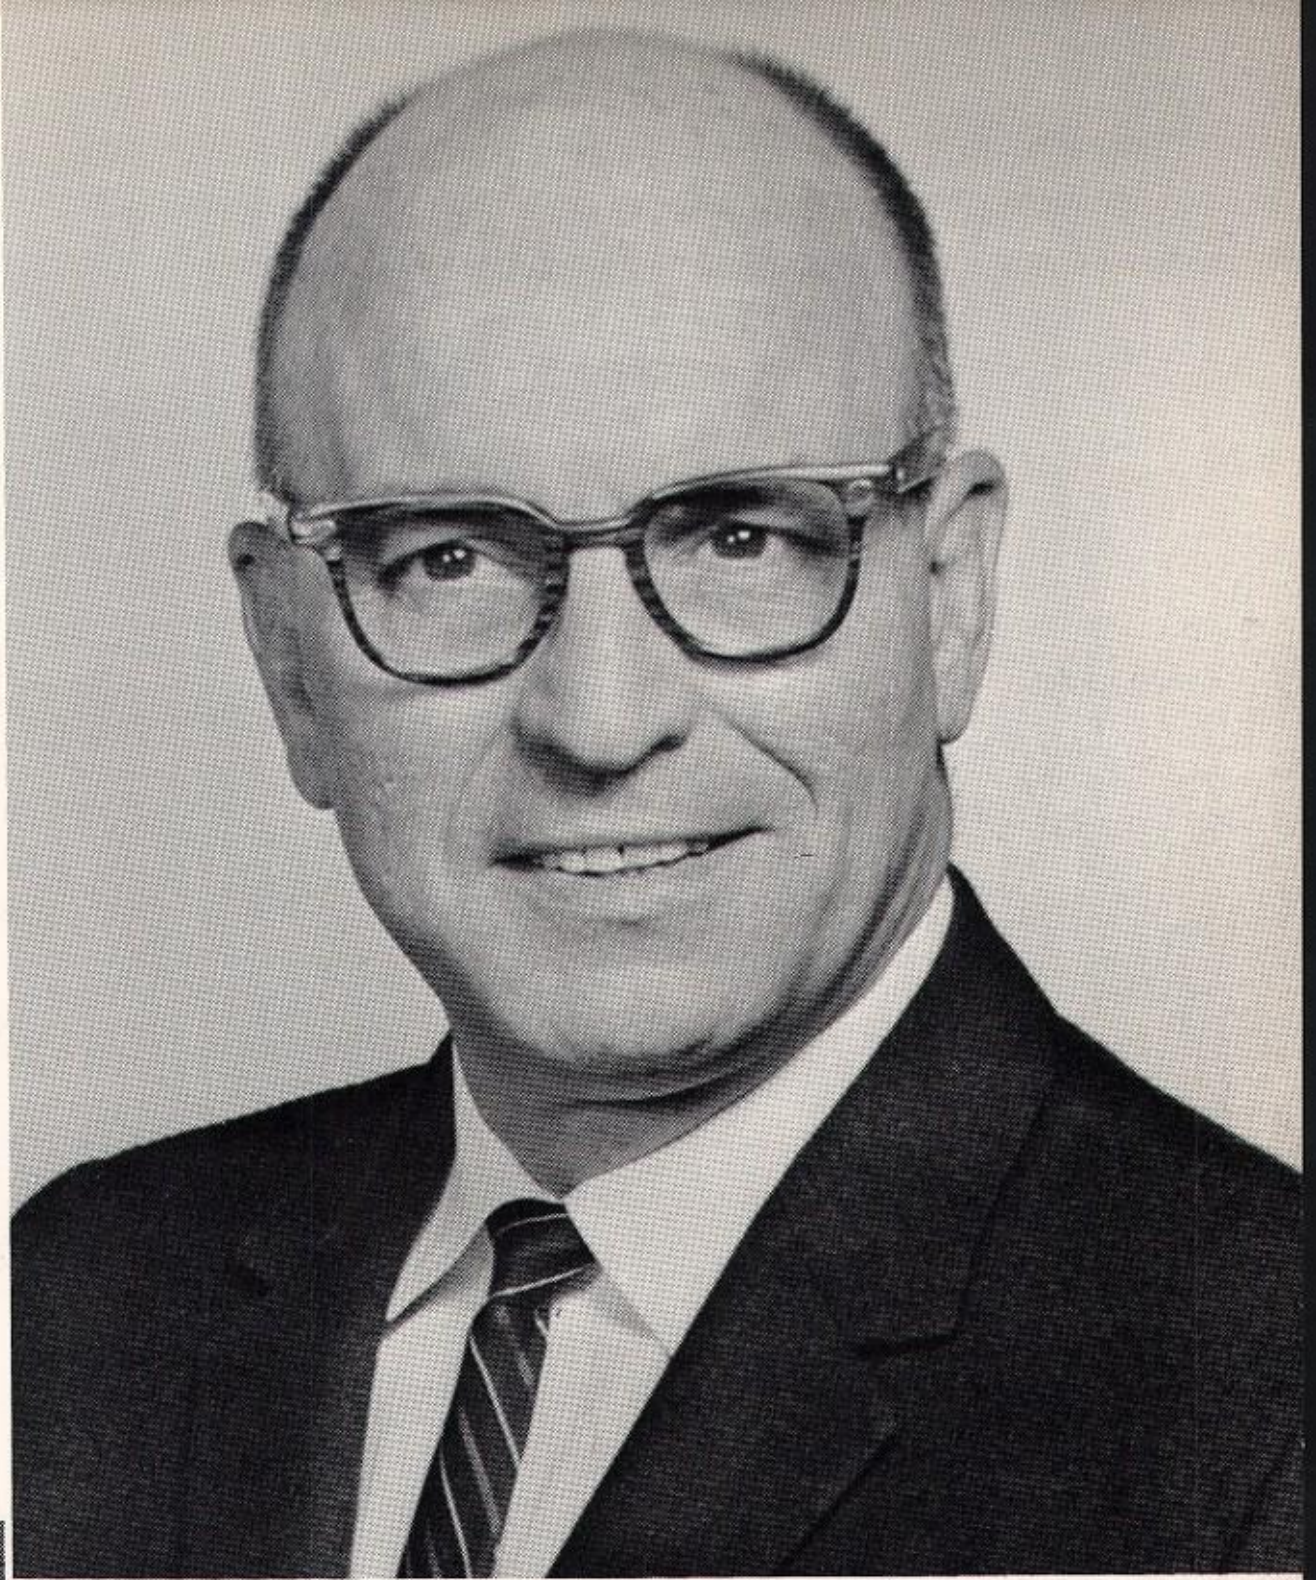

The members of the yearbook staff, have tried to capture the exciting moments aboard the Viking ship and proudly present to the senior class, the 1963 edition of the Northern Lights.

Dedication

"Good Morning, Vikings," has become the familiar phrase that begins the day for North High students. The voice behind this phrase has come to exemplify a person devoted to youth in general, and to North High in particular. Combination father, friend, counselor, administrator, and "confidante," Mr. Hawk is "the best little thing that could have ever happened to North."

We, the Class of 1963 are proud to be the first class graduating under our new principal, and to you, Mr. Forest E. Hawk Jr., we dedicate the 1963 Northern Lights.

FIGHT!

"Sons of Vikings . . ."

Mr. Forest Hawk

A new addition to North this year is our principal, Mr. Hawk, who does his utmost to make North the finest school in Akron. Although this is his first year at North, he has won the admiration of the student body.

Mr. Earl Bonar

This year we have a sophomore counselor, Mr. Bonar, who has also been chosen as this year's Cheerleading advisor. He has done an outstanding job by planning assemblies, boosting school spirit besides generally helping out students in need.

He has a B.S. and a M.S. in Ed. from Akron University and has studied at Kent State University. He spent five years in the Army and Air Force, and was a counselor at Ellet for five years. We give our sincere appreciation for all that Mr. Bonar has done.

Miss Dorothy Preston

Although English has been her main field of work, Miss Preston has at times been involved in teaching Latin, Civics, Typing, Sewing, Music, Senior Problems, and Journalism. She has produced class plays, a newspaper and yearbook and has been supervisor of the rifle club. She has her B.S. degree from Western College and M.Ed. from Kent State University and has studied at the University of Akron, University of Cincinnati, and Columbia University.

Mr. George Kidder

This is the last year before retirement for Mr. Kidder, our assistant principal. Mr. Kidder has been with North many memorable years and has assisted three principals during his service. We give our sincere gratitude to Mr. Kidder for all he has done for North High School.

Office Staff

Performing an efficient job this year of keeping our school running smoothly are our secretaries: Mrs. Glendeen Mayfield, secretary to the principal and Mrs. Jeannette Brown, secretary to the assistant principal.

We wish to thank them for their outstanding qualities of patience and understanding in their dealings with us at North.

Our custodial staff, directed by Head custodian; Mr. Otis Fisher, and Asst. custodian and fireman; Mr. James Snyder, have done another fine job this year keeping our building clean. This, however, could not have been possible without the co-operation of Mrs. Annabell Green, matron, and the rest of our staff.

Cafeteria Staff

The Cafeteria staff headed by Mrs. Maxine Dice, with the help of our four cooks, prepare the daily menues. They do a fine job in helping North's cafeteria run smoothly.

Cafeteria Workers

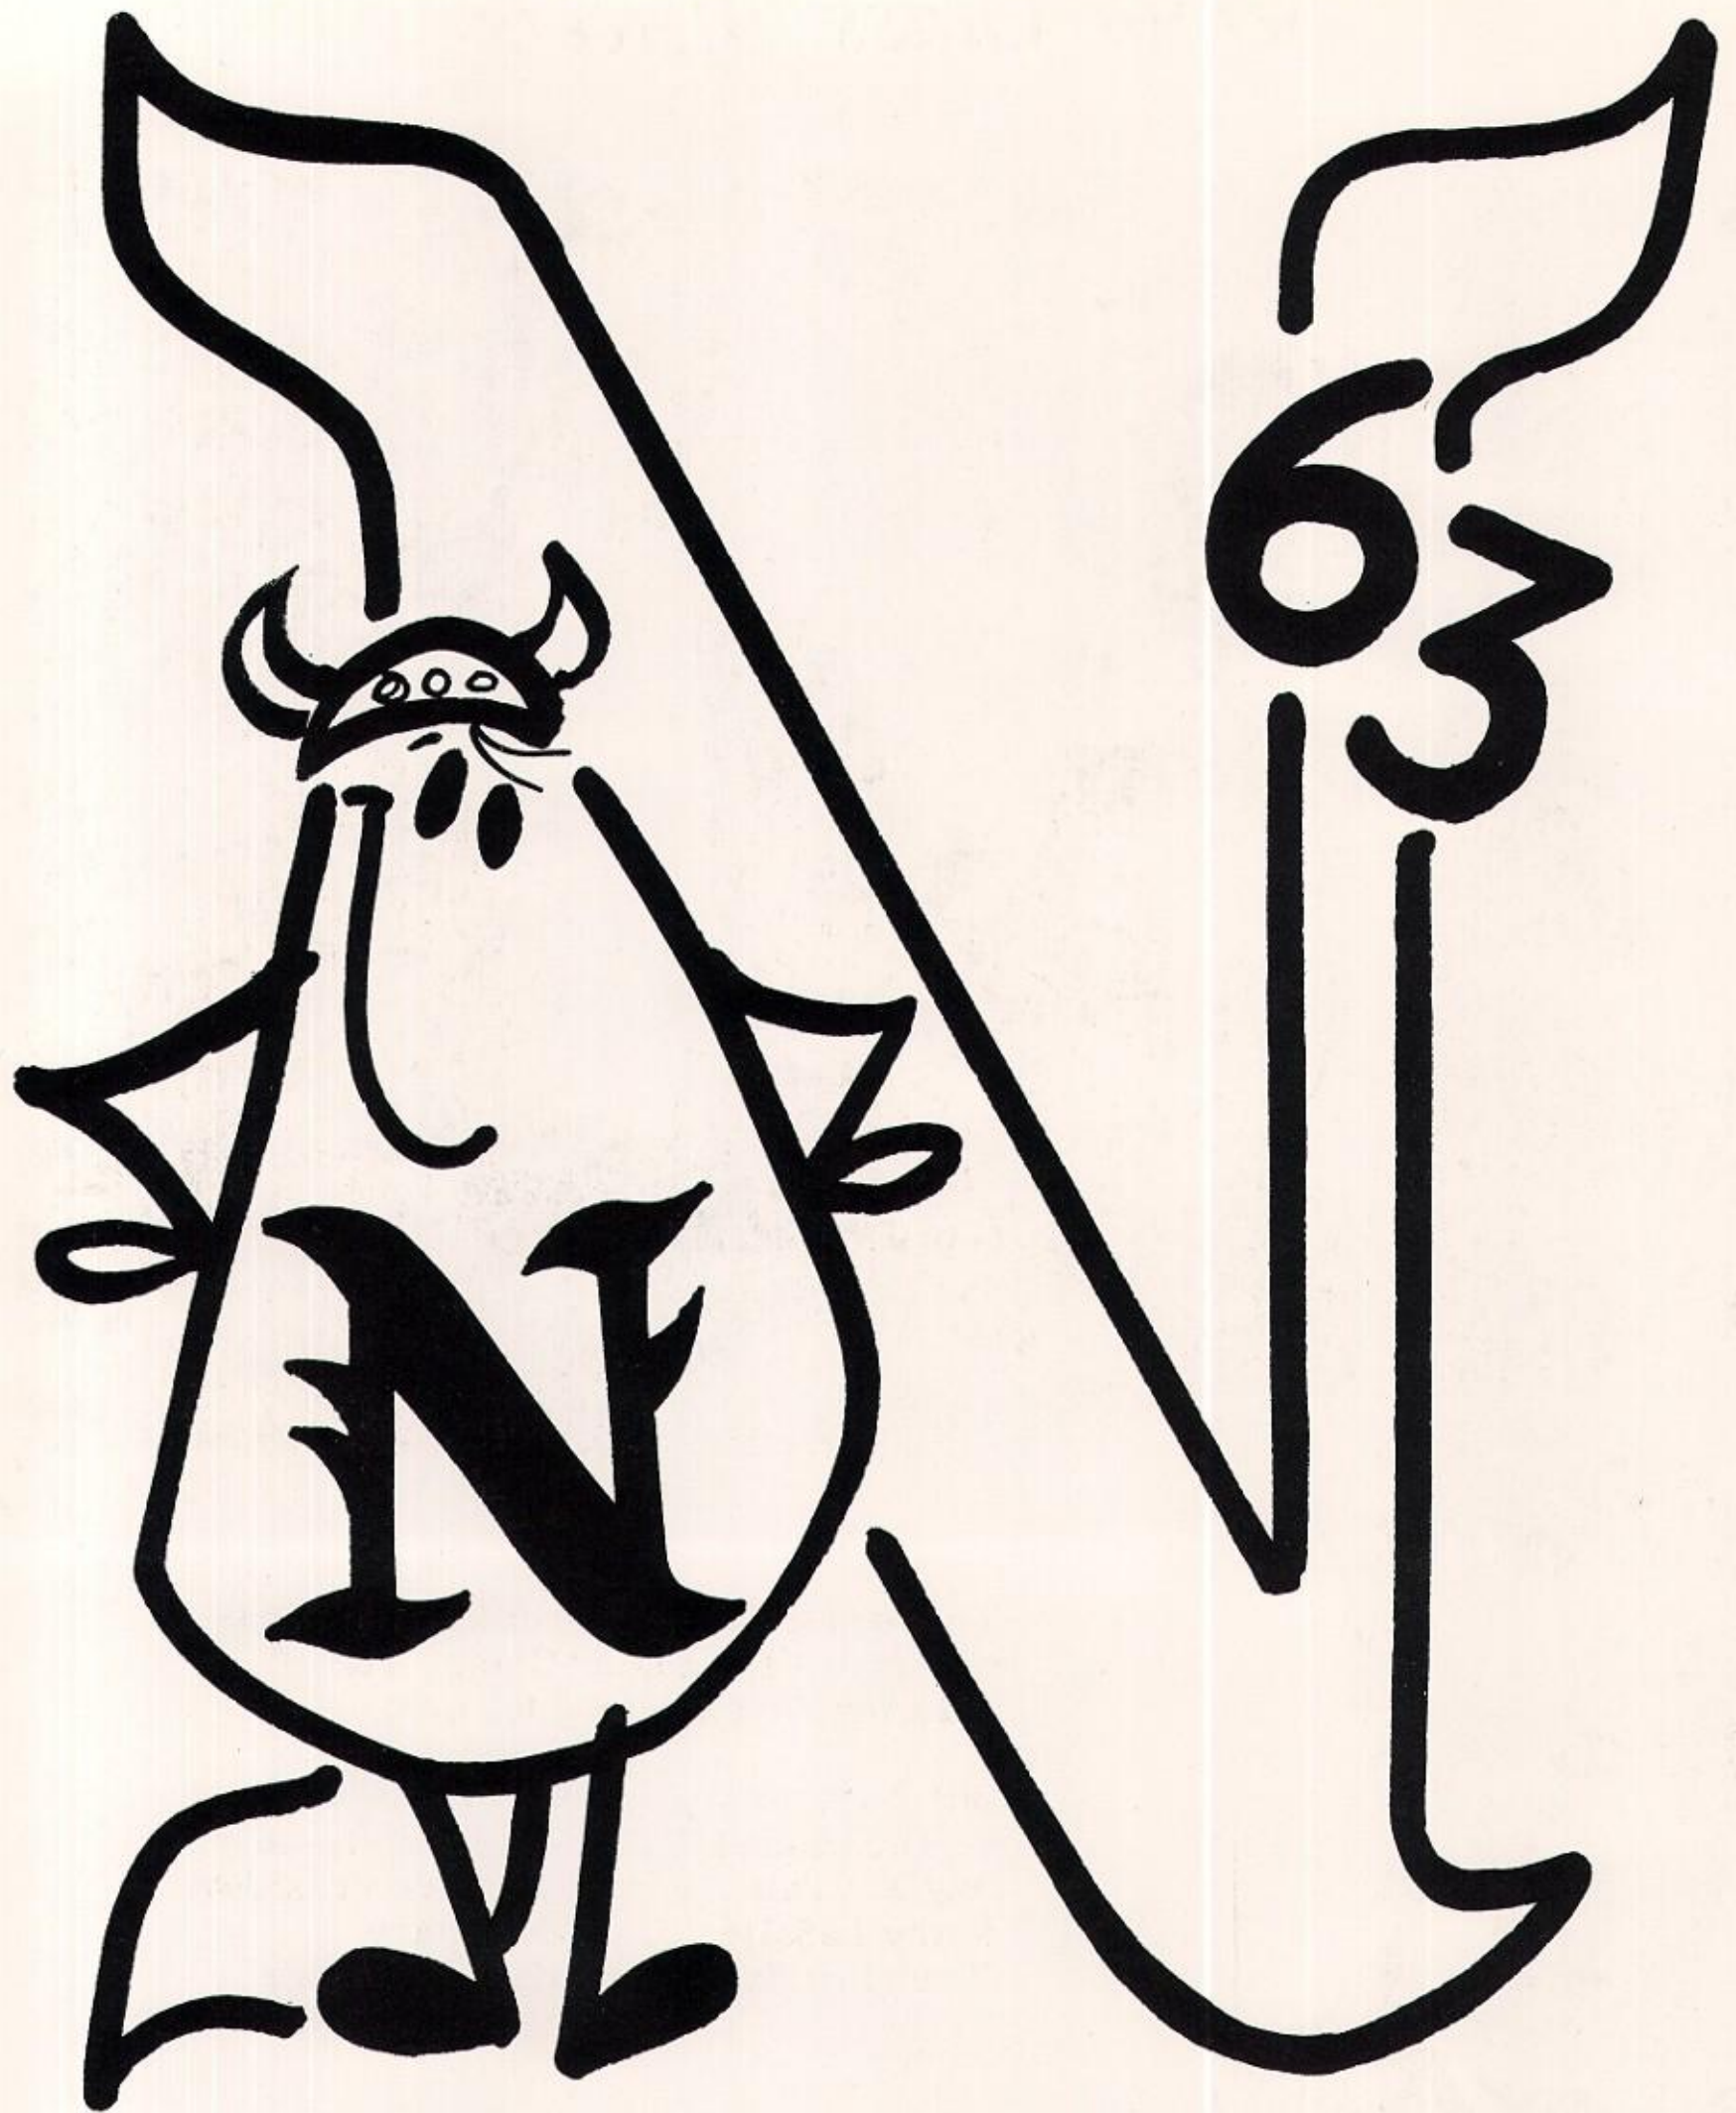

The cafeteria workers play an important role in our school during the most important of periods--Lunch! They serve as cashiers, dishwashers and servers to keep the cafeteria running smoothly and effectively.

SPORTS

Football — 1962

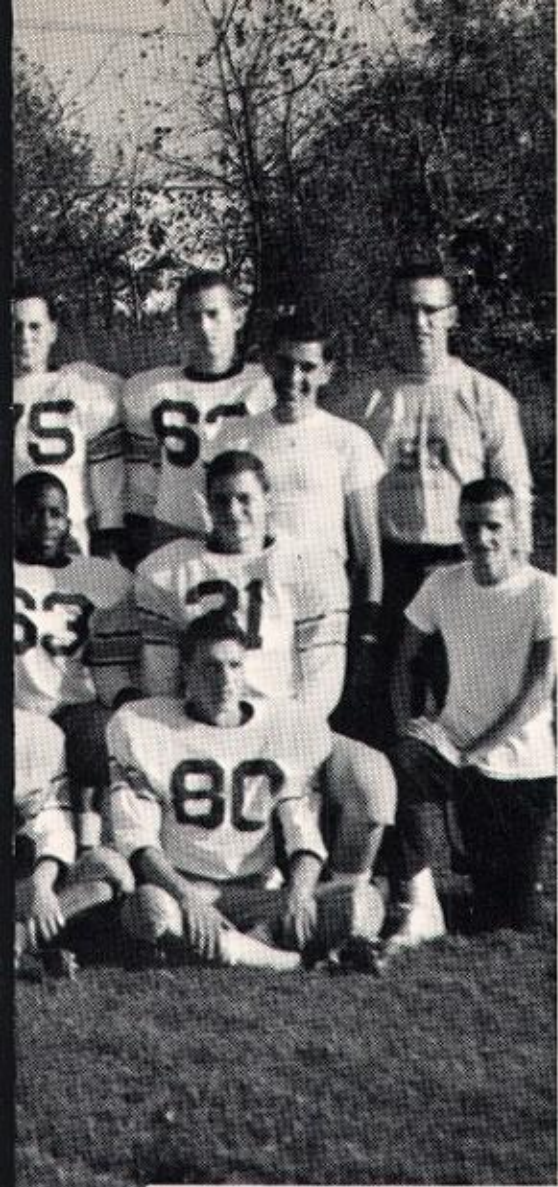

Completing the season with its best record in 13 years, North High's football team made a spectacular comeback from the season before, when they could salvage only a tie with Central. This year the Mighty Viking squad posted wins over Tallmadge, Cloverleaf, Kenmore, Buchtel and Hower, while dropping very close decisions with East, Garfield, Cuyahoga Falls and Central.

There are many hopes for next year's gridiron squad with many lettermen returning to action.

Mr. Ed Kirkpatrick, head coach, and Mr. Bob Wallace, Bob Hatherill, Joe Zampino, Bart Pignatelli, and Gabe De Santis, associate coaches, have done a fine job to successfully earn us four out of five victories.

The Co-captains, Jim Hooper and Bob Anderson kept the spirit of the team fired up until the last second of every game.

Cross-Country

With eight boys winning letters, North High Cross Country team finished the season with a flashy 7-2 record. The team started off by running over six opponents before dropping very close meets to East and Buchtel. Next year's team is hoping to better its standings in the City, District, and Worthington Invitational meets because all members will be returning except senior letterman Jerry Myers. North placed third in the City and fourth in both District and Worthington meets.

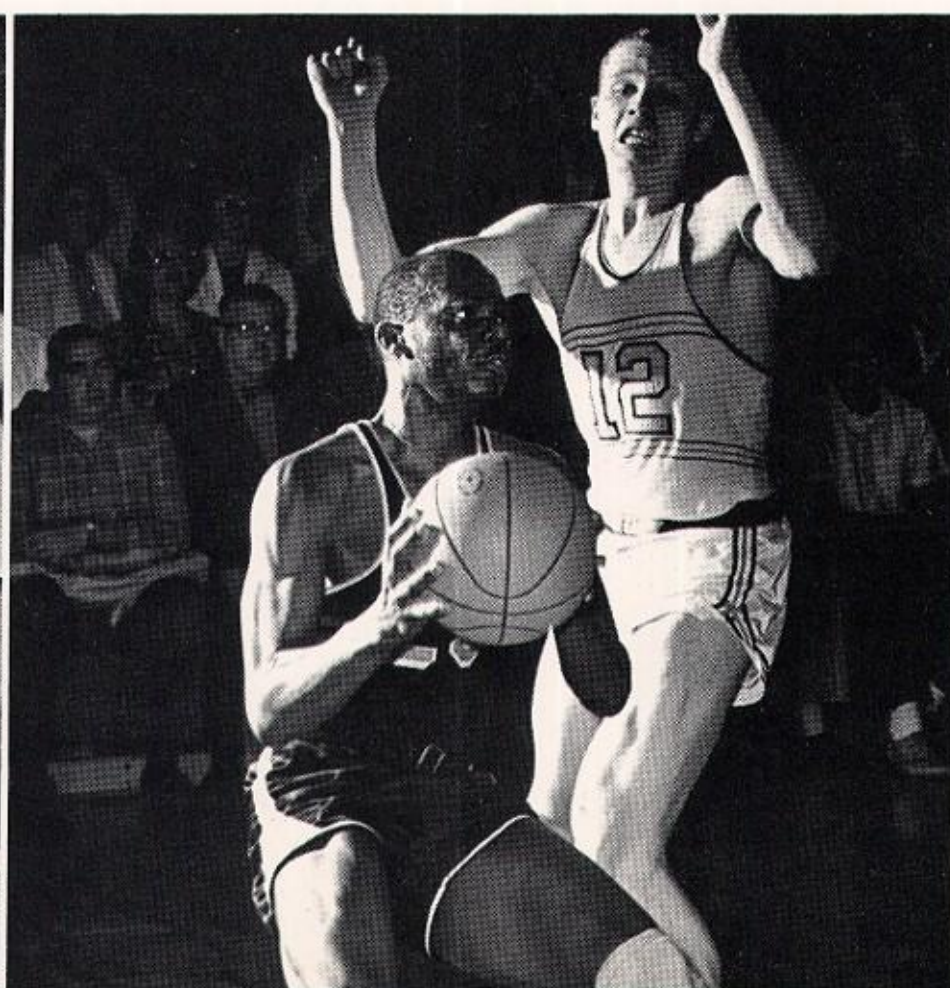

Much of the success of this year's team was due to the sterling performance of John Tillman. This junior turned in quite a performance in his first year on the team. He broke the City record by several seconds and posted a record time of 9:15 at the Worthington Invitational meet. He led all harriers home across the finish line in the District meet thus qualifying to run in the state meet where he placed among the top finishers.

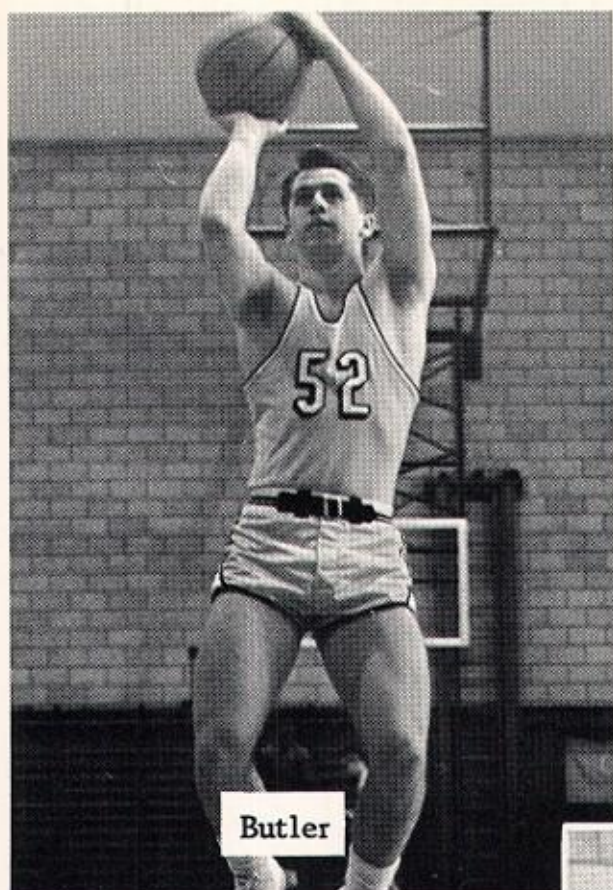

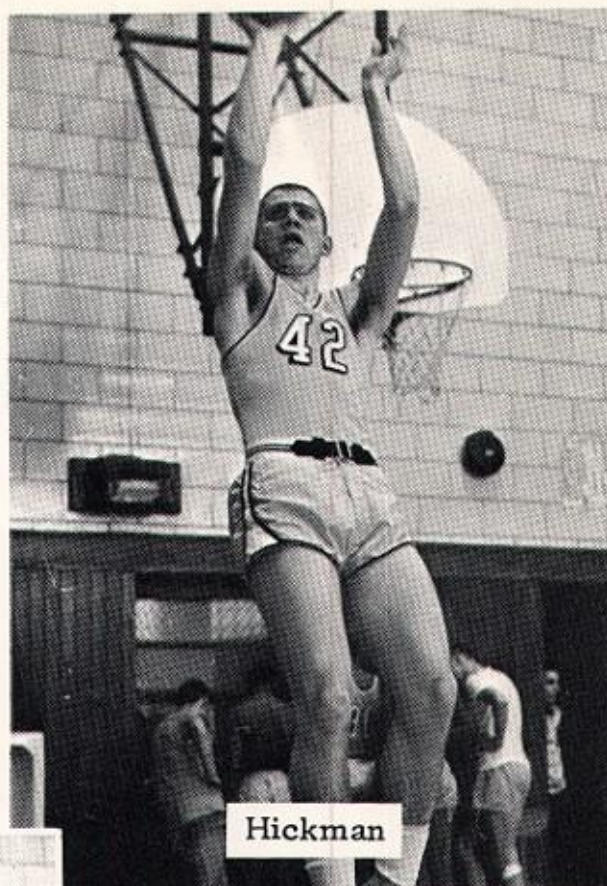

VARSITY TEAM

With All-City stars Ron Collins, Harvey Lucas, and Don White leading this year's squad, the North High Viking Basketball Team posted a 9-8 record against very tough competition. North finished second in the city by dropping a heartbreaking game, 49-48 (overtime), to South High for the Championship. The Vikings' most cherished victory was that one over South during the regular season when they blasted the highly state ranked Cavaliers on their own court by a score of 72-65. Ron Collins was selected to the first team for All-City recognition while Harvey Lucas was rewarded with a second team berth and Don White grabbed a third team position.

Reserve Team

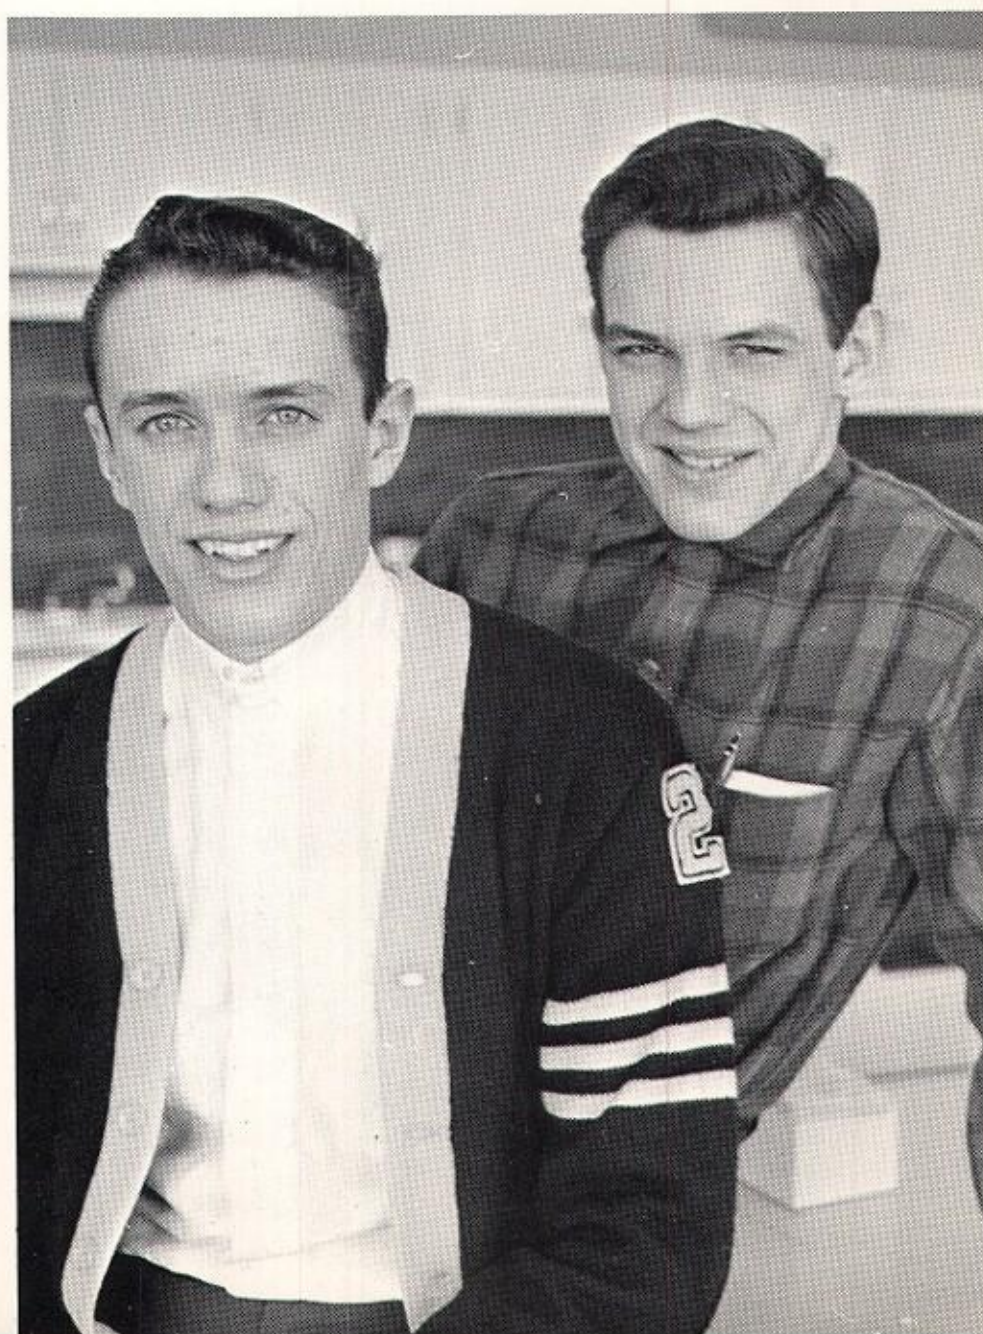

Under Coach Warren Creed's guidance, the North High Reserve Basketball team jelled into a well performing ball club in the latter part of the season and completed their schedule very strong while posting a 7-8 record. The team was sparked by the brilliant playing of Goerge Anderson, Richie Thomas, Dennis Strager, James Stocks, Jerry Gill, and Bob Uber.

Swim Team

The new swim coach, Mr. Baker, took our four year old swim team to the Akron University swimming pool for practices and swim meets with other schools. The team consists of: Ted Smith, Ray Brown, (both co-captains), Jerry Myers, Jerry Gray, David Clegg, Ronnie Black, John Shook, Ron Sasinowski, Leroy Brown, Mike Bush, Mike Talbert, and Tom Cargo. Ron Oskar is the manager of the swim team.

Track

Our overall record for last season was very good. The North High Cindermen started out with a loss, but never came in second in a dual meet. Although in the City Meet the Vikings finished third with 39 points, third in the district meet with 24 points and captured 3 points in the State Meet, Charlie Stone was fourth in the 440 and the Mile Relay team was fifth. The team consisted of C. Stone, K. Thomas, D. White and H. Snyder.

Golf

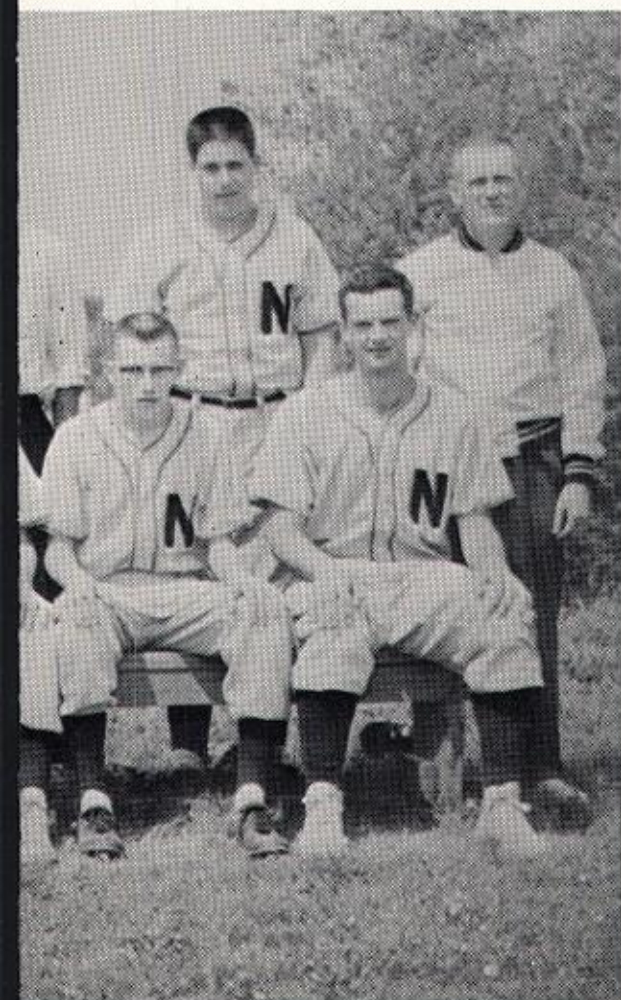

Under the direction of their new coach, Ed Kirkpatrick, the golf team entered its third year in competition in City Series action. Although winning only one match, while dropping eight, North's linksmen gained valuable experience with Seniors Russel Woods and Dave Rillings leading the pack home with the lowest scores most of the time.

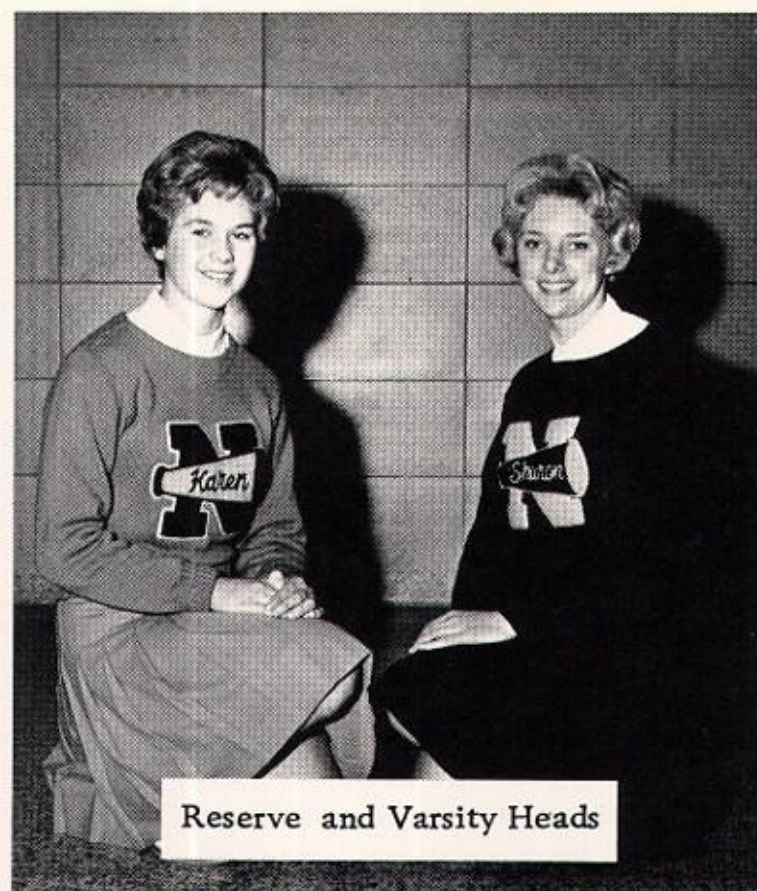

Baseball

North's baseball team, coached by Mr. Creed, won four games while losing three. They played good ball by beating Buchtel, a top contender 4-2, through the outstanding pitching of George Padgitt.

Playing in the '62 season were: TOP, LEFT TO RIGHT: D. Shoff, D. Butler, C. Wiedie, M. Perella, R. Di Lauro, R. Jackson. BOTTOM: F. Giganti, B. Mehok, T. Williams, J. Hooper, R. Collins, R. Burns, G. Padgitt, D. Padgitt, J. Boardman. Special awards went to George Padgitt, Most Valuable Player, and the third year award, and Jim Hooper, Highest Batting Average.

North High Band and Orchestra

BAND The band has done an excellent job this past year, as in the past, boosting spirit at pep assemblies and at football games. They play an important part at the games by accompanying the Majorettes with their routines. Each morning throughout the football season the band practices on the side lawn from 7:30 to 9:15 preparing for each weeks game. Under the direction of Mr. Frank Nelson the North High Viking Band has been a great asset to North this year.

ORCHESTRA The North High School orchestra is a growing organization that provides the music of the masters for various programs. From the orchestra comes smaller ensembles to play for community groups. In addition to the string section, pictured (below), brass, woodwinds, and percussion players from the concert band make up the full symphonic orchestra.

The North High Booster Club

As we enter into adult society, let us think of our high school days at North, as some of the best in life. Let us remember each other with fondness, as graduates, who have studied, worked, and played together.

In the coming years, as you look over the pages of the 1963 Northern Lights, we the staff hope you will remember all the wonderful years of your high school days at North.
